

Quality Guarantee

1. All white fence products sold by our company, we offer our customers for 25 years quality assurance. In 25 years, if the product have any quality problems, after confirming the product is under the condition of normal use, by the investigation of both company to confirm that it's really our products' quality problem, our company will reply within 24 hours, and make compensation.

The compensation plan1:

Provided the same amount of material to the customers, for free.

The compensation plan2:

1. Directly return the money of all the material which has quality problem.

2. Our company provides quality assurance which is limited untransferable assurance. It means, for the home owner who buy our white fence, we provide 25 years of quality assurance. However, when the owner sell the property to the next home owner, our company will no longer provide quality assurance for the next home owners. That is the limited untransferable assurance.

3. Every customer bought our company's white fence, if you have any quality problem, our company will reply you within 24 hours and solve the problem.
